

Help us keep you informed

A project Web page is posted on the county's Web site and will be updated when more information is available, such as the schedule and traffic impacts during construction.

There are several ways for you to stay informed:

1. **Web site:** www.snoco.org, type "road projects" in the search box.
2. **Scan:** use your mobile device to take a picture of this QR code to visit our project Web page.
3. **E-subscribe:** follow the "e-subscribe" link on the project Web page to receive e-mail notices when updates are posted, or send an e-mail to us and we will add you as a subscriber to the page.
4. **E-mail** questions and comments to transportation@snoco.org.
5. **Call** Tina Hokanson, Public Works Communications Specialist, 425-388-3789 (TTY: 711).
6. **Mail** questions or comments to Snohomish County Public Works, Attn. Tina Hokanson, 3000 Rockefeller Ave., M/S 607, Everett, WA 98201.

Road Improvements Planned for 52nd Avenue West

Snohomish County Public Works is planning to improve 52nd Avenue West, between 148th Street SW and Lynnwood City Limits just south of 164th Street SW.

The road currently has two travel lanes and intermittent sidewalks. The new design calls for widening the roadway to add bike lanes, sidewalks, curbs and gutters along both sides of the roadway and a center turn lane. There will also be planting strips at several locations. Stormwater detention and water quality treatment systems will be constructed, as well as retaining walls where appropriate adjacent to wetland areas.

This is a continuation of improvements that began on Beverly Park Road at 112th Street SW and traveled south through the WSDOT intersection at State Route 525 and along the City of Mukilteo's portion of Beverly Park Road. During 2008, Snohomish County constructed improvements to Beverly Park Road between Picnic Point Road and 148th Street SW to match the City of Mukilteo's improvements to the north. The 52nd Avenue West improvements will follow the same design.

Federal funding has recently been secured for this project. Construction is currently scheduled to begin during the summer of 2013 and will extend through 2014. There are likely to be single-lane closures during construction; pedestrian access will be maintained along the corridor. The project team is coordinating with the school district and Community Transit.

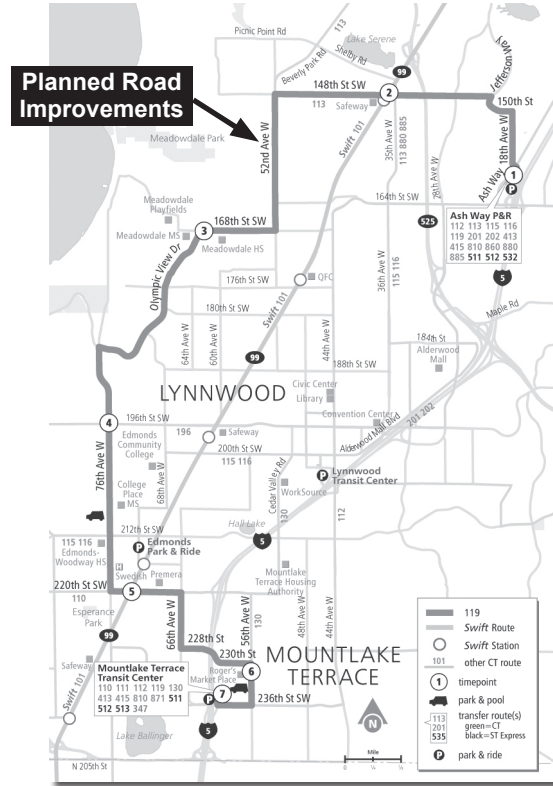

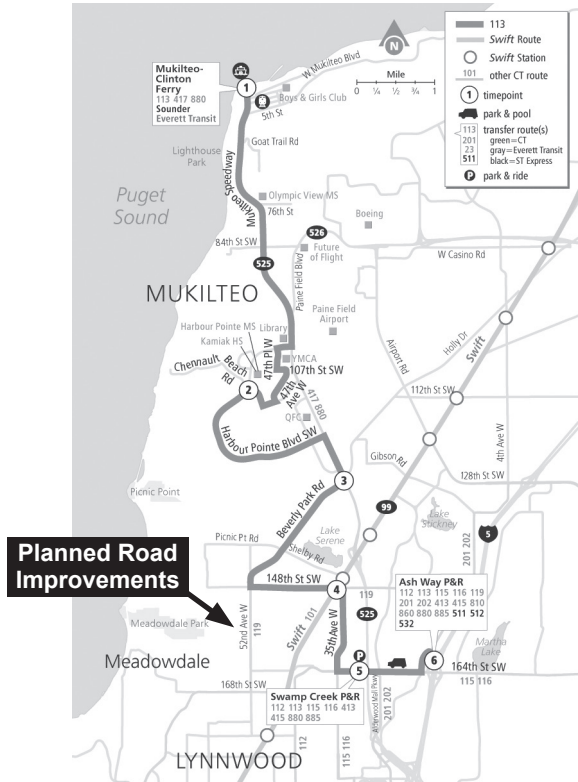

Did you know there is bus service in this area?

Two Community Transit Bus Routes serve this area. To view the schedule and colored maps, visit www.commtrans.org and type the route number in the search box or call 425-353-RIDE (7433).

Route 113: Mukilteo Ferry – Mukilteo Speedway – Harbour Pointe Blvd – 47th Pl W – 107th St SW – 47th Ave W – Chennault Beach Rd – Harbour Pointe Blvd – Mukilteo Speedway – Beverly Park Rd – 52nd Ave W – 148th St SW – 35th Ave W – 164th St SW – Ash Way – Ash Way Park and Ride.

Route 119: Ash Way Park and Ride – Ash Way – 18th Ave W – 150th St SW – Jefferson Way – 148th St SW – 52nd Ave W – Olympic View Dr – 76th Ave W – 220th St SW – 66th Ave W – 228th St SW – 230th St SW – 56th Ave W – 236th St SW – Mountlake Terrace Transit Center.
